BOOK SYNOPSIS

Bindiya Saran is the most cheerful person that anyone who knows her has ever met. When she is chosen to work on a prestigious project for one of India's largest conglomerates, she meets Samar Chauhan, known to the company as Satan Chauhan. After a catastrophic series of events, including Bindiya quitting and rejoining the project in a span of five minutes, an odd truce develops between Bindiya and Samar. But are they too broken to ever be able to fully trust each other? This is an extraordinary book for anyone who has ever loved ... or has ever wanted to fall in love.
