BOOK SYNOPSIS

Join New York Times bestselling author Diana Palmer as she revisits three fan-favorite Long, Tall Texan tales! **HARDEN** Rancher Harden Tremayne was the toughest, loneliest man to come out of Texas. Until he met Miranda Warren... The lovely widow had never felt anything as overwhelming as her passion for the long, lean cowboy. But after she discovered the tragic secret he harbored deep in his soul, would her love be enough to melt his heart? **EVAN** Ever since she could remember, Anna Cochran had been in love with tall, quiet Evan Tremayne. But he was so focused on protecting her from rough-and-tumble cowboys like him that he wouldn't acknowledge the fierce yearning she awoke in him. So it was up to Anna to draw Evan out of his shell and prove that she was the only woman for him! **DONAVAN** From the moment gorgeous Fay York walked into the bar on the wrong side of town, rugged Texan Donovan Langley knew she was trouble. But she awoke a tenderness in him that he'd never known...and a desire for something he could never have. The instant Fay gazed into Donovan's eyes, she fell for him. And it wasn't such a big step from need to love...
