BOOK SYNOPSIS

Acclaimed for its outline format, color illustrations, consultative approach, and USMLE style questions and practice exams, BRS Physiology ensures student preparedness in a variety of medically related educational settings. Written by highly regarded physiology professor Linda S. Costanzo, this Sixth Edition provides over 350 USMLE-style questions with complete answers and explanations, chapter-ending exams, and a comprehensive USMLE-format examination at the end of the book. Offered in both print and online formats, the book boosts student confidence and provides maximum accessibility and portability for in-class or on-the-go learning.
