BOOK SYNOPSIS

David Myers' bestselling Psychology has reached a wider audience of students and instructors with each new edition. Myers and his team lead the field in being attuned to psychology's research and the needs of the instructors and students in the course today. Ten million student class testers and thousands of adopting instructors can attest to the quality of this project. True to form, this landmark new Tenth Edition is another vigorous, deeply considered revision. Watch our new videos from David Myers here, including our animation on THE TESTING EFFECT narrated by David Myers.
