BOOK SYNOPSIS

THE AMERICAN TAX DOLLAR & BAILOUTS Jayson Reeves was born in Gary, Indiana and is now an author whom writes on the important subjects of government and business throughout the United States of America. Jayson's writing is based on the experience that he has established within working professionally throughout design, engineering, and as an investor and business owner. As an investor, business owner, and former partner of a civil engineering firm he has observed, and experienced the American society throughout Indiana, Illinois, Arizona, and other states. This experience with valued interest includes the work, and observation of small, large, public, private businesses, and corporations with their adjacent values to government. These business disciplines within society, and most values of government have become the foundation of his writing to enlighten the American general public. Thanks to the professional & occupational constituents of Gary, Indiana & the U.S.A. that have a slight understanding of the HURN Foundation and Jayson Reeves the Author and those that have provided productive insight with his many business, engineering, and government ventures of experience.
